

## 7SVM02120 Precision Vertical Translation Stage

### Characteristics

- Big travel, not quantitative, vertical translation with heavy load;
- Scissor support with six guide rails, driving by precision grinding screw rod with different rotating directions on the screw rod, ensures the smooth movement, comfortable, high precision and big load;
- Hand wheel for locking, safe and reliable.

Model	7SVM02120
Travel	120mm
Sensitivity	0.01mm
Table size	140mm×220mm
Load	25kg
Weight	3.5kg
