

## 7SVM0505 Precision Vertical Translation Stage

### Characteristics

- Wedge structure, sensitivity and minimum graduation are increased;
- Precision grinding V shaped steel rail and ball, high precision, big load;
- Driving directly by micrometer, quantitative reading.

Model	7SVM0505
Travel	5mm
Accuracy	0.003mm
Minimum graduation	0.005mm
Sensitivity	0.001mm
Table size	64mm×50mm
Load	10kg
Weight	0.6kg
